

KOMANDOO MALDIVE ISLAND RESORT

A magnificent tropical paradise pleasantly secluded from modern living and tucked away in a remote corner of the Maldives where life moves at its own leisurely pace. The island opened on 13 November 1998 as the second resort in the famous Lhaviyani Atoll. The Island is 100 meters wide and 500 meters long with an attractive sugar white sandbank on both ends; a beautiful lagoon all around the island and a stunning house reef close by which is superb for snorkeling. The vegetation is rich and green with a magnificent 30-year old coconut palm plantation as its highlight.

Location & Transport: Komandoo is located at the top of the Lhaviyani Atoll, about 130 kilometers north of Male' International Airport. The transfer is a scenic 40 minute seaplane flight over the North Male' and Lhaviyani Atolls. This offers breathtaking views of reefs and lagoons and their multiple shades of blue and aquamarine, before bringing you to the landing platform at Komandoo. Then a quick Dhoni ride of only 3 minutes will bring you to this secluded hideaway.

Sports... Fun in the sun

Although Komandoo is ideally suited for the perfect relaxing holiday, you may wish to take part in the select land and water sports offered.

Land Sports: Beach football, badminton, volleyball, and table tennis.

Water Sports: Komandoo is located in one of the most interesting diving areas in the Maldives with 45 exclusive dive-sites within a one-hour boat ride. The diving centre is managed by ProDivers Maldives with experienced English, German, French and Spanish speaking instructors. The marine life around Komandoo is very unique and has been kept rather intact because of the low amount of divers in this area during the last 20 years compared to other parts in the Maldives.

The Snorkeling

Komandoo Island Resort is home to spectacular house reef just steps away from your bungalows. The reef is home to colorful fish and coral, rays, and sharks. We also offer guided snorkel tours twice a week with a Diving Instructor. Snorkeling introductions on request.

The Diving Education

- ProDivers is a PADI 5 Star Dive Center and all diving education is conducted within the PADI standards with the latest training aids.
- Open Water Diver courses start every week.
- Courses are conducted in English, German, French and Spanish.
- Courses in other languages on request at least 6 weeks before arrival, contact us via fax or e-mail.

Water sports activities such as catamaran sailing, sea kayak windsurfing and canoes are also available.
